

# 9449

## Specifications Sheet

Specifications	
Continuous Duty Rating	24V 180Amps
Momentary Rating	1,000Amps
Operating Voltage Range	6-36VDC
Max. Contact Drop at Max Load	150mV at rated load
Insulation Resistance	100M ohms/ 500V
Dielectric Strength	1000V 1 minute
Operation Temperature	-40°C to 85°C

**MOUNTING HOLE PATTERN**  
 (\*Mounting Hole Sizes refer to product, installation tolerance needs to be considered)
