Ring Connectors Continued

Nylon Insulated RoHS

Nylon insulated ring terminals provide superior insulation to vinyl. Insulation is securely molded and is flared for easier insertion. Allows for excellent mechanical crimp and wire strain relief.

Junction Boxes & Terminal Block

Junction Boxes

Corrosion-resistant molded cover and housing. Complete with four entrance slots. Two bolt mounting. Access slot grommets. 7-3/8″ (18.7 cm) center-to-center mount.

Part No.	Description	Qty
990-E	7 Pin	1
991-E	14 Pin	1

Junction Boxes

Corrosion-resistant molded cover and housing. Complete with four entrance slots. Two bolt mounting, and access slot grommets. Plus its transparent for easier inspections.

Part No.	Description	Qty
998-31	7 Pin	1

Terminal Block

Safely add circuits to a vehicles electrical system. Rings, spades or hooks can be used. Each cross section is 1 position.
#8 Stud Terminals

Part No.	Positions	Studs	Qty
992-11	4	8	1
993-11	6	12	1
994-31	10	20	1
